

Greetings Central Family,

On behalf of the Mission Outreach Mobilization Team, the Global Impact Celebration will host the Esther Project on September 20 at 7:00 p.m.

This event will involve each ministry and member of the church working together to meet the challenge to help translate the Book of Esther into the Ugandan LuBwisi language. **Please take a moment to listen to the video provided on the [Global Impact Celebration web page](#).**

The cost for each verse is \$35. For example, if the ministry in which you serve selects four verses, the total donation from the ministry will be \$140. There are 10 chapters in the *Book of Esther*, and there are many verses from which to choose.

Please use the [Challenge Form](#) to complete the process. Contributions can be processed via [online giving](#), CashApp (\$CUMCATL) or check made payable to Central UMC. *(In each instance, please type or write "MOMT" in the memo section).*

All contributions should be completed **no later than September 30**.

We invite everyone to attend the "Esther Project" on September 20, especially ministries and individuals that participate in the challenge, so that we may applaud your good work for the upbuilding of God's kingdom.

There will be food and fun-filled fellowship!

Blessings!
